ERIE COUNTY LIBERTARIAN PARTY

Monthly Liberty Update

How many times has the state offset spending with this money??

Kathy Hochul froze the bank accounts of the Seneca Nation of Indians for leverage to get the \$850 million for taxpayers' share of the stadium costs.

"Just a few days ago a subpoena served by New York State began blocking transactions on the bank accounts of the Seneca Nation and the Seneca Gaming Corporation due to issues regarding casino revenue payments. The Seneca Nation president, Matthew Pagels, warned individuals not to attempt

to cash or deposit nation issued checks until the situation is solved. Pagels addressed the situation as blatant government overreach, and maintains that the state's actions were purposeful, malicious, and politically motivated. The Seneca's are referring to these latest actions as economic terrorism, citing the state's willful indifference to thousands of people. In a statement by the Seneca Nation, they highlighted "the history of attacks against our people, our land and our sovereignty

serves as a backdrop to every interaction the Seneca Nation has with New York State."

The timeline goes like this:

1. Hochul freezes Indian's money
2. Indians hand over \$850 million to the state.
3. Hochul announces money will be used for the stadium.

ERIE COUNTY LIBERTARIAN PARTY

Volume I, Issue 4

Getting Our Candidates on the Ballot

Unfortunately for us, we still live in New York. Thanks to disgraced Governor Cuomo, ballot access for 3rd parties is much more difficult to achieve. Statewide candidates now need 45,000 signatures on petitions. It was 15,000 in the past.

Our candidates for this November's election are:

- ⇒ [Larry Sharpe](#) - Governor
- ⇒ Andrew Hollister - Lt. Governor

- ⇒ [Sean Hayes](#) - Attorney General
- ⇒ [Thomas Quiter](#) - US Senate
- ⇒ William Schmidt - Comptroller

The Petitioning Drive, to get these candidates on the Ballot, begins April 19, 2022. We need to mobilize as many people as possible to help with this effort. If you are interested in helping, [please register here](#). There are several different ways to help, it isn't just going door to door. [More info here](#).

Money makes the world go 'round

Donate to the Erie County (NY) Libertarian Party.

Fundraising is an ongoing process for any political organization. Anything you can give will help. You can make a one-time, monthly, or yearly donation by clicking on the banner above. As little as \$5 per month can make a huge difference if multiplied by the members we have.

I realize that not everyone is in a position to donate currently, that's OK. You can still donate your time. A good starting point would be to come to a monthly meeting, meet new people, and see what works for you.

All of your freedom, all of the time.

The Erie County Libertarian Party is the official affiliate of the Libertarian Party of New York and was founded in 2015 to advance the Libertarian Party in Erie County, New York.

The Libertarian Party is committed to America's heritage of freedom: individual liberty and personal responsibility, a free-market economy of abundance and prosperity, a foreign policy of non-intervention, peace and free trade.
