May was busy!

May has been a very busy month. I am a couple of days late with this newsletter. After the National Convention in Reno, I needed a couple of days to wind down.

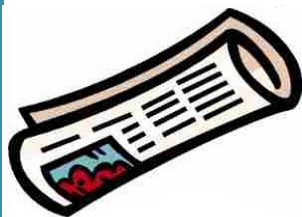

May 31 marked the last day of petitioning for Larry Sharpe and other independ-

ent candidates looking to get on the ballot in November.

This issue will be mainly a convention and petitioning recap.

Meeting Reminder:

We will be meeting Wednesday, June 8 at 7pm.

Disclaimer: This is my reaction to the National Convention in Reno.

We had 3 jam packed days of business that is guaranteed to set a new path for the Libertarian Party.

The Mises Caucus, of which I'm a member, won every elected position. The focus is going to be more support at the State and County levels, with clear messaging espousing liber-

tarian values. We will be concentrating on rights that belong to everyone.

"Libertarians embrace the concept that all people are born with certain inherent rights. We reject the idea that a natural right can ever impose an obligation upon others to fulfill that "right." We uphold and defend the rights of every person, regardless of their race, ethnicity, or any other aspect of their identity. Government should neither deny nor abridge any individual's human right based upon sex, wealth, ethnicity, creed, age, national origin, personal habits, political preference, or sexual orientation. PETITIONS HAVE BEEN FILED - THANK YOU!!

Hello Petitioners,

After a marathon weekend of compiling and binding, the submission team turned in the petitions for our statewide slate of candidates at the NYS Board of Elections on Tuesday afternoon!

I would like to thank all of you who made the effort to pass petitions, as well as those who otherwise donated their time, treasure, and talent to the petitioning effort. This was a monumental task that many said couldn't be done. A solid and consistent effort by hundreds of people across the state made this submission possible.

This was the latest of many hurdles we have had to jump, and there will be many more between now and November. Please click below to continue supporting our statewide candidates.

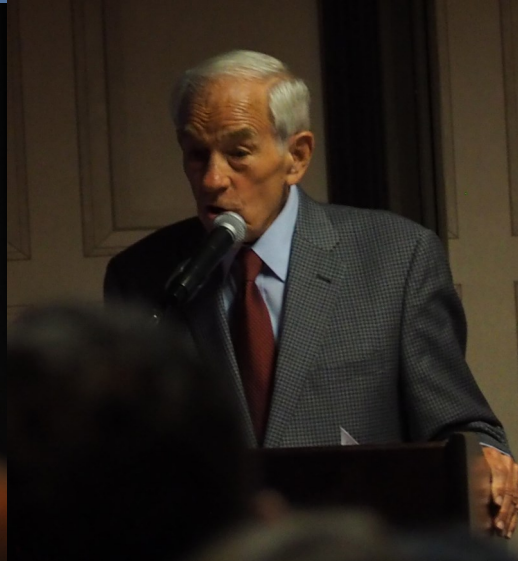

Thank you again for all that you do in the name of Liberty.
