Meetings are held on the 2nd Wednesday of each month at 7pm. A meeting notice will go out a few days before.

August 2022 Newsletter

As summer winds down, things are just getting started with us. Don't miss the opportunity to make a difference and spread liberty. Keep reading for exciting happenings.

LPNY State Convention

We are excited to be hosting the statewide LPNY convention September 17 & 18. Every 2 years a new executive committee is elected for our state organization. This year, that will be happening at the Sheraton in Niagara Falls, New York. We will be electing a new Executive Committee and filling vacancies on the State Committee. The website will be live by the end of the week for registration, hotel bookings and sponsorships.

Local Elections

Local elections provide some of the best opportunities to spread libertarianism. Some of these elections are held in March, not November. An example would be the Village Board in Akron, NY. The Mayor and 2 Village Trustee spots are up for election in March 2023. Looking back, as few as 37 votes were needed to win one of these positions. Targeting local positions allows us to build a base to setup success in County, State, and Federal elections. Anyone who has an interest can contact us for assistance.

The Great New York State Fair

The NYS Fair will be held from August 24 to September 5. The Libertarian Party of New York will be setting up a booth. Volunteers are needed to man the booth. If you like talking to people and explaining the advantages of liberty, this is a perfect opportunity to volunteer. You can check the fair schedule to help plan your time in the booth. New meeting location

We are currently looking for a new monthly meeting space. A central location is preferable. Geographically, that would be the West Seneca/Elma area. If you factor in population density, something in the Lancaster/Cheektowaga area fits the bill. The meeting space should be relatively free from distractions and have food/beverages available. Any and all suggestions are welcome.
